## Oakland Schools Technical Campus Northwest 2022-2023 Visitor Sessions

### Important Details:

- A visitor session gives students the chance to spend extended time in their top two programs of interest. Registration is required.
- Held on select days during our PM Session, 11:20am -1:50pm.
- See your school counselor, your high school may require a permission slip.
- Not sure what to pick? Explore program offerings at [ostconline.com](http://ostconline.com).
- Students may ride the shuttle bus provided by their high school or provide their own transportation to and from our campus.

### Register to visit two of the following options:

- Automotive Technology & Collision Repair & Refinishing
- Agriscience & Environmental Technologies
- Construction Technology & Energy-Electrical Technologies
- Culinary Arts & Hospitality
- Engineering, Robotics & Mechatronics
- Health Sciences
- Computer Programming & Entrepreneurship and Advanced Marketing
- Graphic & Communication Design
